

HOW DO YOU FEEL ?

Some people see great things ahead for the at this hot spot on the highway.

NUDIST COLONY

I intend to start

P. S.

I forgot to say how important I think it is to the war effort for us all, to do our part in trying to keep each other amused and in the best of spirits. Remember how poor old uncle Sid used to say,— “always look on the funny side of life and you will live longer.”

WHEN A MAN'S A MAN

From 20 to 30, if a man lives right,
It's once in the morning and once in the night;
From 30 to 40, if he still lives right,
He cuts out the morning or else the night;
From 40 to 50 its now and then,
From 50 to 60 it's God knows when;
From 60 to 70 if he's so inclined,
Don't let him kid you, it's all in his mind.

A Typical Winter Scene
on Alaska
Highway

Season's
Greetings

Dear Pal :

I find it gets so hard on me up here some times that I can hardly write, to answer your many enquiries about the outstanding opportunities up here on this great Alaska Highway, but I am finding it a little softer today, the reason is a military secret. Now I will try while I feel a little easier to outline the most outstanding money-making schemes that I see for the future in this country.

Now some of the boys might have told you back home about the tropical valley where the flowers bloom the year around and the temperature in hot springs near by stay at over 100 in the heart of winter. If someone does not beat me to it

Dairy business, as milk is scarce and feed plentiful. Hoping I can get it soft some day soon again so I can
drop you another short line or two. I am, as ever,
Your Pal,
